

Power Sharing

Can I learn from someone else?

Can I teach someone else?

How could I contribute to the teaching and learning?

Prior Learning

Ask me what I know already about the subject.

Extend my knowledge in the subject.

Find out what I'm interested in.

Feedback

Can someone tell me what is good about my work or the way I have tried to do it?

Feedforward

Can someone tell me how
I can do things better?

Can I help somebody else
improve their learning?

Can I have a chance to
make improvements?

Co-construction

Can we discuss our learning to figure out what is important in our work?

Is there an example of what I'm supposed to do?

Can I ask questions and work with others to solve problems?
